The Sexual Assault Prevention and Awareness Center (SAPAC) supplies reports to inform the University community about incidents of sexual assault, domestic violence and stalking that are reported to SAPAC.

Crime map incidents are an accurate indicator of criminal activity on the U-M campus; however, some incidents may be under investigation to substantiate their occurrence. Statistics for the crime map are provided by the Department of Public Safety (DPS). The markers on the crime map represent only reports of on-campus incidents in the areas featured on the maps. For questions about crimes on campus, call (734) 763-3434. To report a crime, call DPS, (734) 763-1131.

The table reflects only the number of cases reported to SAPAC. The numbers do not necessarily reflect the number of incidents on campus, nor do they reflect the number of cases that occurred in a specific time frame. They also do not reflect the number of cases that may have been reported to DPS.
