Regents approve faculty promotions

From associate professor to tenured professor in the fields of:
- Biological sciences, Medical School
- Biochemistry and molecular biology, Medical School
- Chemical biology, Medical School
- Chemical engineering, CoE
- Chemistry, LSA
- Communication and cultural studies (CAS)
- Computer science and engineering, CoE
- Environmental sciences, SPH
- Epidemiology, SPH
- Evolutionary biology, LSA
- Mathematics, LSA
- Molecular and cellular biology, Medical School
- Neuroscience, LSA
- Pharmacology, Medical School
- Physics, LSA
- Political science, LSA
- Psychological and brain sciences, LSA
- Statistics, LSA
- Systems biology, Medical School
- Zoology, LSA

From assistant professor without tenure to tenured professor in the fields of:
- Afroamerican and African studies, LSA
- Biological sciences, Medical School
- Chemistry, LSA
- Computer science and engineering, CoE
- Electrical engineering, CoE
- Environmental sciences, SPH
- Psychology, LSA
- Sociology, LSA

From assistant professor to associate professor in the fields of:
- Accounting, School of Business
- Anesthesiology, School of Medicine
- Biochemistry, Medical School
- Biology, LSA
- Botany, LSA
- Business administration, School of Business
- Chemical engineering, CoE
- Chemistry, LSA
- Communication and cultural studies (CAS)
- Computer science and engineering, CoE
- Developmental biology, LSA
- Ecology, LSA
- Environmental sciences, SPH
- Experimental psychology, LSA
- Geology, LSA
- Geophysics, LSA
- History, LSA
- Immunology, LSA
- International studies, LSA
- Italian, LSA
- Japanese, LSA
- Korean, LSA
- Law, LSA
- Linguistics, LSA
- Management, LSA
- Mathematics, LSA
- Mechanical engineering, CoE
- Medicine, Medical School
- Music, School of Music, Theatre & Dance
- Neuropsychology, LSA
- Philosophy, LSA
- Political science, LSA
- Psychiatry, Medical School
- Psychology, LSA
- Religious studies, LSA
- Sociology, LSA
- Statistical science, LSA
- Theater, LSA
- Theoretical biology, LSA
- Urban studies, LSA
- Vision science, LSA
- Women’s studies, LSA

From assistant professor with tenure to associate professor in the fields of:
- Anthropology, LSA
- Biochemistry, Medical School
- Chemistry, LSA
- Communication and cultural studies (CAS)
- Computer science and engineering, CoE
- Education, School of Education
- English, CAS
- Geography, LSA
- Geology, LSA
- History, LSA
- Mathematics, LSA
- Physics, LSA
- Political science, LSA
- Psychology, LSA
- Sociology, LSA
- Theoretical biology, LSA

From tenured professor to associate professor in the fields of:
- Anthropology, LSA
- Biological sciences, Medical School
- Chemistry, LSA
- Communication and cultural studies (CAS)
- Computer science and engineering, CoE
- Education, School of Education
- English, CAS
- Geography, LSA
- Geology, LSA
- History, LSA
- Mathematics, LSA
- Physics, LSA
- Political science, LSA
- Psychology, LSA
- Sociology, LSA
- Theoretical biology, LSA

From associate professor to full professor in the fields of:
- Anesthesiology, School of Medicine
- Biochemistry, Medical School
- Biochemistry and molecular biology, Medical School
- Chemical biology, Medical School
- Chemistry, LSA
- Communication and cultural studies (CAS)
- Computer science and engineering, CoE
- Developmental biology, LSA
- Ecology, LSA
- Environmental sciences, SPH
- Experimental psychology, LSA
- Geology, LSA
- Geophysics, LSA
- History, LSA
- Immunology, LSA
- International studies, LSA
- Italian, LSA
- Japanese, LSA
- Korean, LSA
- Law, LSA
- Linguistics, LSA
- Mathematics, LSA
- Mechanical engineering, CoE
- Medicine, Medical School
- Music, School of Music, Theatre & Dance
- Neuropsychology, LSA
- Philosophy, LSA
- Political science, LSA
- Psychiatry, Medical School
- Psychology, LSA
- Religious studies, LSA
- Sociology, LSA
- Statistical science, LSA
- Theater, LSA
- Theoretical biology, LSA
- Urban studies, LSA
- Vision science, LSA
- Women’s studies, LSA

From associate professor to full professor in the fields of:
- Anthropology, LSA
- Biological sciences, Medical School
- Chemistry, LSA
- Communication and cultural studies (CAS)
- Computer science and engineering, CoE
- Education, School of Education
- English, CAS
- Geography, LSA
- Geology, LSA
- History, LSA
- Mathematics, LSA
- Physics, LSA
- Political science, LSA
- Psychology, LSA
- Sociology, LSA
- Theoretical biology, LSA

From tenured professor to full professor in the fields of:
- Anthropology, LSA
- Biological sciences, Medical School
- Chemistry, LSA
- Communication and cultural studies (CAS)
- Computer science and engineering, CoE
- Education, School of Education
- English, CAS
- Geography, LSA
- Geology, LSA
- History, LSA
- Mathematics, LSA
- Physics, LSA
- Political science, LSA
- Psychology, LSA
- Sociology, LSA
- Theoretical biology, LSA

From associate professor to full professor in the fields of:
- Anesthesiology, School of Medicine
- Biochemistry, Medical School
- Biochemistry and molecular biology, Medical School
- Chemical biology, Medical School
- Chemistry, LSA
- Communication and cultural studies (CAS)
- Computer science and engineering, CoE
- Developmental biology, LSA
- Ecology, LSA
- Environmental sciences, SPH
- Experimental psychology, LSA
- Geology, LSA
- Geophysics, LSA
