The Sexual Assault Prevention and Awareness Center (SAPAC) supplies reports to inform the University community about incidents of sexual assault, domestic violence and stalking that are reported to SAPAC. SAPAC is a resource for survivors, their families and friends, U-M personnel (faculty, staff and Department of Public Safety [DPS] officials), and non-U-M personnel (e.g., high school counselors).

The table reflects only the number of cases reported to SAPAC, and includes reporting by faculty, staff and students. The numbers do not necessarily reflect the number of incidents on campus, nor do they reflect the number of cases that occurred in a specific time frame. They also do not reflect the number of cases that may have been reported to DPS.
